I have tried to select an individual from each area of the community. Therefore, the following individuals have been appointed from District #61:

Community at Large Member	John Poteraske
Fairview area	Suzanne Rallo
DeLay area	Claudia Manley
Lace area	Liz DeCarlo
Teacher representative	Marion Nyhoff

I would like Nancy Nuzbach, Ann Marie Coli, and Fred Susi to be alternates if a member has to drop off the committee. Because the meetings are open, the alternates would be encouraged to attend the meetings.

Kerry Foderaro, Superintendent of Cass School District #63, and I have appointed Frank Burns to be our Technology Consultant. He will not be a member of the committee but will attend several of the meetings. His role would be to put much of the financial information in an EXCEL program to facilitate discussion.

Possible dates for the first meeting are June 1st, 6th, or 14th. At this meeting (7:00-8:00 P.M. at Cass Junior High School) co-chairs will be selected, a meeting schedule could be established, the charge for the committee will be discussed, and some preliminary information will be handed out.

Please e-mail me at cjohnson@darien61.org concerning your availability on the possible dates for the first meeting. Thank you again for your willingness to serve.

Sincerely,

05/05/06

Chip Johnson
